

WDSC Logo Competition

The World Down Syndrome Congress will be in Brisbane in 2022.

The **congress** is a big meeting of people from all over the world.

They get together to talk about things that are important to people with Down syndrome.

The congress needs a **logo**. This is a picture that will go on all the advertising and information about the congress.

Down Syndrome Australia is running a competition to come up with an idea for the logo.

You can draw or paint your idea on paper or on a computer.

The competition is for people with Down syndrome all over the world.

There's a great prize for the winner!

Are you interested in helping us make the logo for the congress?

Email us at info@downsyndrome.org.au and we can send you more information about the competition.

The competition closes on 30 November 2018.
