Down syndrome
aged 4 - 17

Bowden Centre, Australian Botanic
Garden Centre, Mount Annan

Garden Program
Thursday 15 April
10am - 12pm

How do our amazing native
animals find shelter and
survive in the wild?

- Hunt for animal shelters in the garden
- Make shelters from natural materials
- See if your shelter passes the 'downpour' test!

Siblings welcome. Parents/carers are kindly requested to assist with supervision of their own children at this event
