

Information Sheet for NDIA outcomes Workshop

This information sheet is about the NDIA Outcome Workshop.

The NDIA want to know how people with disabilities feel about different areas of their life.

The NDIA have asked DSA to run workshops.

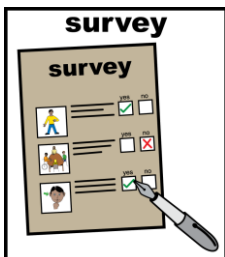

A workshop is a meeting where a group of people meet and talk about an important topic.

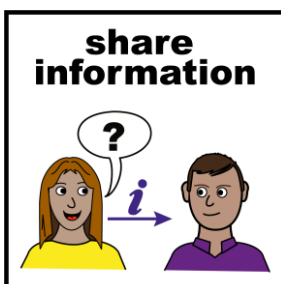

Liz from Down syndrome Australia will lead the workshop.

At the workshop DSA will ask you questions about your life. DSA will ask you about what is important in your life.

DSA will give you a survey to fill out.

DSA will give your answers to the NIDA and they will use them to help other people.

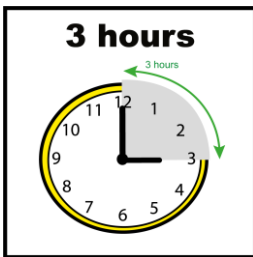

You will need to register on Eventbrite if you want to attend the workshop.

To register on Eventbrite you can click this link: [register here](#) or
