

Good morning Members.

### **Annual General Meeting**

Yesterday it was brought to my attention that the proxy form and Annual report did not attach to the AGM Notice. This was my first time using the new email platform and it seems I have not correctly linked those documents. My apologies for any inconvenience caused.

Here are the links to the [Proxy Vote Form](#), and to the [Annual Report](#).

The proxy vote form was included in the body of the email, however this link will make it easier for you to complete.

The Annual Report was sent out to all members last year, however if you didn't see that email or require a new copy please follow the link above.

### **New Location**

This is also an opportune time to notify members that our lease at 32 Burton St was due to expire in March, and we have been very fortunate to find a new location in Crawley. We will be sharing with another small not for profit group, Nature Play WA.

The past 2 years at Nulsen/PeopleKind have been extremely valuable to the association. We have formed valuable partnerships with the teams here and are extremely grateful to Gordon Trewern and his whole team for the support provided to DSWA over the last two years.

The new address is Cygnet Hall, 17 Hackett Drive Crawley. We are currently working on a new phone system and will advise members before the move of the new phone number.

With regards  
Cassandra
